

Beautifully appointed and very comfortable, the loft is really a mini-suite – perfect for guests, a nanny or even teenaged children. The office features built-in art niches and a picture window overlooking the beautiful grounds.

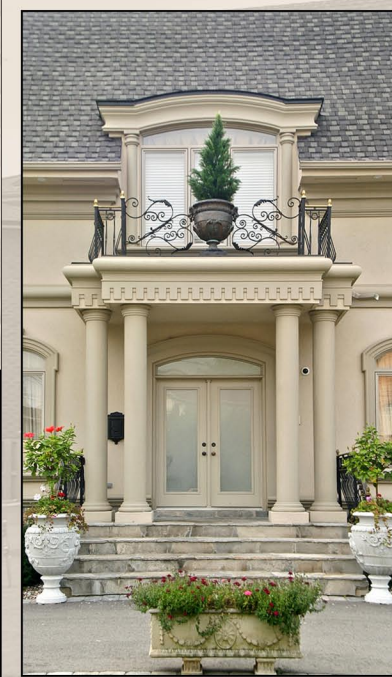

Majestic, spacious and regal, the master bedroom is a very attractive space with patterned hardwood floors, crown mouldings, high baseboards and pot lighting. A large walk-in closet helps with organization while the sumptuous six-piece ensuite is simply decadent with its separate shower stall and custom, antique-styled tub.

The lower level of this exceptional home has been finished to perfection. Featuring a stunning marble-faced fireplace and a walkout to the backyard, this gorgeous space makes the ideal lounge for casual entertaining.

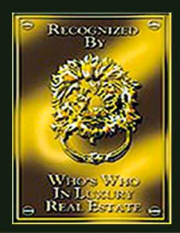

# ELEVEN King High DRIVE

11 King High Drive is a magnificent reflection of superior design and craftsmanship. This palatial five-plus-one bedroom residence is an outstanding property with an exceptionally gorgeous interior. The liberal use of only the finest marbles, granites, hardwoods and irons create a stunning mosaic of colour, pattern, texture and finish rarely found in modern homes. Featuring old-world glitz and glamour combined with contemporary design elements, this remarkable home boasts every convenience available including a sauna, a steam shower and an alarm system with a camera. The handsome stone and stucco residence is fronted by a circular drive which leads to a three-car garage while the young landscaping already enhances the home so beautifully. Careful attention was paid to every inch of the property's construction resulting in an impressive home on a truly grand scale.
